Dear Paul;

Enclosed is the record sheet that you requested. Sorry that it's taken so long - but between vacations on our part and police - we were unable to get this information.

For your additional information - Troop 91 officially dropped on August 1st and we will reorganize and make it an S.R. with new leadership in September. We have not been able to get the written police report - but our District Executive is in touch with the Sheriff's Department that is doing the investigation. As we receive further information - we will send it on to you. I hope this is sufficient for now.

Sincerely yours,  
NICOLET AREA COUNCIL
